

Capabilities Statement

We are a full-service accessibility company dedicated to making the world more inclusive for everyone. Our goal is to help people with different needs enjoy all kinds of spaces and services without barriers. We work closely with our clients to identify their specific needs and offer personalized solutions. Our mission is to promote access, ensuring that everyone has the opportunity to participate fully in all aspects of life. Together, we can build a more accessible world for all.

Core Competencies

Installation & Service of:

- Elevators (Residential & Light Commercial)
- Vertical Platform Lifts
- Incline Platform Lifts
- Stair lifts
- Ceiling Lifts
- Wheelchair Ramps
- Wireless Telecommunications Services

Differentiators

Our amazing customer service and the five-star reviews we receive from happy customers make us stand out in our industry. Our factory-trained technicians are experts in their field. Our 24/7 on-call support team is ready to assist you quickly and efficiently. Our customer base exceeds 6,000 (general contractors, rental agencies, HOAs, VAMCs, school districts, local municipalities, homeowners). In a typical year we do more than 300 installations and handle over 5,000 service calls (routine maintenance & repairs).

Experience

W3 Built - Social on Second Project

Installed eight custom residential elevators in four duplex units. The elevators are tailored to fit the style of each duplex, reflecting the owners' tastes. June-July 2025

Hoke Enterprises - IMC South Power Plant Project

Installed a commercial enclosed vertical platform lift and a commercial aluminum wheelchair ramp to make the building more accessible. May 2025

Hernandez Consulting - Camp Lejeune Project

Installed a limited use limited application (LULA) elevator in a vacation rental apartment. February 2024
